April 9, 2020

Dear Colleagues,

Navigating these turbulent waters during this unprecedented time in history takes collaboration and by working together we can meet this moment and help our communities thrive. I urge you to sign on to the California Mayors Coalition so that we may work together and speak with one voice urging the State and Federal government to assist cities with our continuation of essential services. Below is the COVID 19 Action Plan outline.

**California Mayors Coalition – COVID 19 Action Plan**

**COVID-19 Testing – *The Governor should mandate free, widely available testing across CA's 58 Counties immediately.***

Healthy people need to get back to work. The only way to get the California economy moving again, is to provide easy testing that is free and widely available. Currently, each of the 58 counties in the State have distinct testing procedures and policies. This hurts California's residents. The Governor should standardize testing procedures and work with the federal government to ensure fast, accurate test kits are available to all Californians.

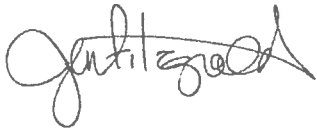

**CALPERS – *The Governor needs to mandate that CALPERS immediately freeze the current discount rate for two years.***

The Governor must prevent CALPERS from attempting to lower the discount rate any further and spread the cost to its members. Because of the great financial strain resulting from the revenue losses due to the COVID-19 crisis, its members cannot sustain what would be a death blow to their finances. Additionally, a suspension of the COLA to retirees must be considered. This must be done prior to May 1<sup>st</sup>, before the 2020 COLA is implemented.

**Federal Funding Allocation – *\$1.5 billion in federal COVID disaster relief funding will come to California. A portion of that funding must be allocated to cities on a per capita basis***

Simply put, cities under 500,000 population are in desperate need of COVID-19 federal funding infused directly into our General Funds. We must receive a fair and equitable share across county lines from the \$1.5 billion in federal funding coming to the State.

Even when negative economic shocks (e.g. COVID, the Great Recession, etc.) reduce income and spending, which in turn reduces income and sales tax revenues collected by state and local governments, our cities must balance our operating budgets annually. Local government provides essential services to each of our communities (e.g.

public safety, libraries, parks and recreation programs as well as major ongoing capital investments in roads, sanitary sewers, and water treatment and distribution systems).

To be wholly left to the generosity of county governments penalizes the millions of CA residents who live in our communities. The State should join with CA cities in advocating for a per capita funding to every city under 500,000 population in California.

In addition to any federal funding allocation related to COVID disaster relief, Congress needs to pass a Infrastructure Spending Bill. This bill would infuse much needed funds into local jurisdictions to pay for infrastructure (e.g. streets/roads/highways, bridges, sewer and water infrastructure) – this funding too should be allocated on a per capita basis and sent directly to cities.

More importantly, should a New Relief Bill be introduced that would provide direct relief to cities who have populations under 500,000; we must advocate for the passage of this legislation.

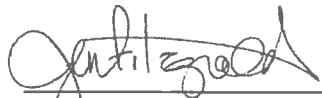

**Sales Tax Reprieve – *The State government should advance sales tax funding that would have been collected by local governments over the next twelve months to protect cities from insolvency because of lack of sales tax; one of the two main sources of city revenue.***

Based on the Governor’s recent announcement, small businesses will receive a no-interest loan of sorts from the State as those businesses will be allowed to keep sales tax collected during the next twelve months. While cities realize the very real struggles of small businesses, this creates an unbearable burden for cities. Cities will not be able to fund after school programs, public safety, or library services without their sales tax allocation. The State must use its resources to advance estimated sales tax funding to ensure cities are able to continue to serve the millions of CA residents who live in our communities.

**Jobs – *Workforce development programs and increased economic development funding must be a priority to put Californians back to work.***

Many years ago, redevelopment funding for cities was eliminated and cities lost the ability to revitalize blighted areas of our communities and reinvest in commercial enterprises in order to bolster not only the city’s finances, but most importantly, put our local workforce back to work. Now is the time for Sacramento to invest in the local community so that the thousands of out-of-work CA residents can access local programs, tailored to local needs; that’s how they’ll be able to feed their families moving forward

Should you have any questions about the Action Plan please contact me at [JenniferF@cityoffullerton.com](mailto:JenniferF@cityoffullerton.com) or my staff liaison, Antonia Graham, Deputy City Manager at [agraham@cityoffullerton.com](mailto:agraham@cityoffullerton.com). We look forward to meeting this moment together and working as one voice.

## URGENT ACTION NEEDED – SUPPORT “3.5” SUPPLEMENTAL PLAN

Orange County’s Board of Supervisors, Mayors of 34 Cities Urge  
Congress, White House to Provide Immediate Relief to Support  
COVID-19 Response on the Ground

To the Members of the United States House of Representatives, United States Senate, and  
President of the United States:

As the duly elected officials of the fifth-most populous County in the United States representing more than 3.3 million people, we urge Congress to unite and put aside partisan differences by passing dedicated and flexible funding for all local governments. We are working at the county and municipal level as partners to provide unique and non-duplicative services to protect public health and economic stability, despite significant losses of revenue as a result of public health measures requiring a pause on most economic activity. The COVID-19 interim supplemental **would provide \$150 billion in new funding for state and local governments – including \$29.5 billion for counties and \$29.5 billion for cities - to help cover expenditures and lost revenue. It is the only offer on the table for state and local governments right now. We simply cannot wait any longer.**

Sincerely,

Supervisor Michelle Steel, Chairwoman  
Third District Supervisor Don Wagner  
Fifth District Supervisor Lisa Bartlett

**City of Garden Grove**  
**INTER-DEPARTMENT MEMORANDUM**

To: Scott Stiles From: Patricia Song  
Dept: City Manager Dept: Finance  
Subject: INVESTMENT REPORT Date: April 21, 2020  
FOR MARCH 2020

Enclosed is the March 2020 Investment Report which shows the financial institutions, types of investment instruments, monthly transactions, current month interest received, and the par and fair market value of investments held. The month-end cash in the bank and petty cash balances are also listed on the Cash and Investment Report. The pie chart (please see chart on attachment A) reflects the investment instruments as a percentage of the total portfolio.

This investment portfolio meets State guidelines and adheres to the City's investment policy. As of March 2020, the City's total portfolio is invested in:

Type of Investment	Total Investment	% of Investment
US Treasury	\$69,000,000	25.122%
Fed Home Loan Banks	\$60,250,000	21.936%
Fed Farm Credit Banks	\$57,000,000	20.753%
Fed Nat Mort Assoc	\$18,000,000	6.553%
Fed Home Loan Mtg Corp	\$3,000,000	1.092%
City LAIF	\$59,372,561	21.616%
Cash with Fiscal Agents	\$8,041,088	2.928%
<b>Total</b>	<b>\$274,663,649</b>	<b>100.000%</b>

The cash with fiscal agents is restricted as they are funds held and invested by an outside fiscal agent. The restrictions were set forth in the related bond indentures. As of March 2020, 2.928% of the portfolio is restricted.

In summary, the investment portfolio is secured and the City has the necessary cash to pay its bills for six months in a timely manner. Please call me at extension #5060 if you have any questions.

- Contractor anticipate to start construction at the beginning of May (Euclid and Lampson).

## **UNDER DESIGN**

### **SANITARY SEWER**

- **Partridge Lift Station Improvements Project** –The District has been experiencing frequent pump clogging caused by wet wipes from the tributary area. The District is considering to install a new grinder at the upstream of the lift station. Staff has hired AKM to provide a preliminary design of the grinder installation for the Partridge Lift Station.

Project Limit: Partridge Lift Station

Status:

- Consultant has submitted 70% design plans and specification at the beginning of April. Consultant is working on 90% Submittal.
- **SSMP Update** – The California State Water Resources Control Board (SWRCB) requires each waste agency to develop a Sewer System Management Plan (SSMP). The SSMP must be self-audited at least every two (2) years and updated every five (5) years. The last SSMP for GGSD was prepared in 2015. The engineering staff is working with Brent and his staff to prepare the 5-year update to include all the significant changes since the 2015 report.

Status:

- Staff has finalized the report.
- It has been submitted for GGSD approval at the end of April.
- **Sewer Main Replacement Project 2&3 - Project #78XX** – Staff has sent out RFPs for Engineering Design Service for this project. The Sewer Rehabilitation Plan Phase 1, Sewer Main Replacement Project 2 (at Galway Street, Gilbert Street, Kerry Street, Kellogg Way, Alley near Belfast Drive, Crosby Ave, Central Avenue, and Acacia Avenue) and Project 3 (Trask Avenue, Edgebrook Drive, Garden Grove Boulevard, and Sycamore Street) are two of many projects designed to address defective sewer pipe throughout the City. The sewer improvements will consist of approximately 4,400 feet of sewer pipes.

- **CIP Project 92 (Donegal Drive Sewer - GGSD Project #7835)** – GGSD Board awarded a design contract to JIG Consultants on 1/26/2016. Kick-off meeting was held on 3/10/2016.

Project Limit: Donegal Drive (Medison Cir. to Bolsa Ave.)

Status:

- The consultant has completed approximately 60% of the design. Alternate alignment required due to the portion of the existing alignment being sandwich between block wall and houses.

## WATER

- **Water Master Plan Update** –Staff has awarded a contract with West Yost Associates, Inc. for the Water Master Plan (WMP) update. The WMP update will reflect any changes that have occurred impacting the water system since the 2008 Water Master Plan. The WMP update will include an update to the hydraulic model and capital improvement plan.

Project Limit: N/A

Consultant: West Yost

Status:

- West Yost has submitted the SCADA Master Plan Report. The report has called out a \$7.8M CIP over the course of five years. Staff is preparing a RFP for the SCADA upgrade.
- West Yost working on future system analysis and the capital improvement plan.

- **Magnolia Reservoir and Booster Pump Station Rehabilitation Project** (GG Project #7402) – The reservoir repairs consist of crack and joint repair, construction of seismic curb, roof waterproofing, rust spot repair, and the addition of a fall protection system. The repair work for the pump station consists of replacement of the existing engine and booster pump, replacement of the existing exhaust system, replacement of the existing catalytic converter, replacement of two 10-inch butterfly valves, replacement of the 10-inch check valve, refurbishment of the existing flow control valve, and replacement of the roof and existing removable dormer.

Project Limit: Within the existing facilities (No traffic impact).

Status:

- Finalized design document.

- **Public Works Yard Block Wall** – Civiltec Engineering has completed the design. Building Department reviewed and approved the plans.

Project Limit: Within the existing facility (No traffic impact).

Status:

- **This project will be packaged with one of the water facility projects in the future.**

### **SANITARY SEWER SHARED**

#### City of Anaheim

- Anaheim continues to resist updating 1986 Shared Sewer Agreement. The main stumbling block is that they do not want to lower the current d/D ratio of 0.75.

#### City of Santa Ana

- Santa Ana has agreed to include GGSD's portion of Westminster Sewer upgrade in their design and construction. Santa Ana City Council and GGSD Board have approved the reimbursement agreement between the City of Santa Ana and GGSD for this project.
- Santa Ana and GGSD staff agreed on the areas and contents of the shared sewer agreement. The final draft has been reviewed by attorneys. Santa Ana City Council approved the shared sewer agreement in August 2017. GGSD Board approved the agreement in October 2017.

#### City of Orange

- Water Services has initiated the conversation with City of Orange to draft a share sewer agreement. We have researched with the City Clerk to see if there is any existing share sewer agreement. The City Clerk did not find any.

# City unveils online biz toolkit to help in crisis

## Kit includes resource and resiliency plan

Understanding the significant challenges and concerns of the local business community arising from the coronavirus pandemic, the City of Garden Grove's Office of Economic Development has created an online business toolkit.

The toolkit includes the multi-language Garden Grove Business Resource and Resiliency Plan; COVID-19 Business Survey; links to business agencies and resources; assistance programs; and upcoming business seminars.

The toolkit can be accessed from the city's coronavirus webpage at [ggcity.org/coronavirus](http://ggcity.org/coronavirus) or directly at [ggcity.org/businesses#resource-toolkit](http://ggcity.org/businesses#resource-toolkit).

"As equally important as providing crucial services and resources for the well-being of our residents, is ensuring that our business community has the tools necessary to manage through these difficult times, work towards recovery, and even-

tually, thrive again," said Mayor Steve Jones.

The city's Business Resource and Resiliency Plan is a 24-page document, prepared in conjunction with the Garden Grove Chamber of Commerce, Korean American Chamber of Commerce of Orange County, Vietnamese American Chamber of Commerce, and the Garden Grove Tourism Promotion Corporation.

The COVID-19 Business Survey provides a valuable opportunity for business owners to provide confidential feedback and current business status for the city to develop future programs and efforts guided by the needs of the local business community. # GG COVID cases rise to 50; OC may see downtrend

Rate of hospitalizations, ICU visits starting to slow

By Brady Rhoades

Garden Grove coronavirus infections had climbed to 50 as of press time. Stanton had reported 10; Westminster 22.

Orange County had 1,632 cases and 32 deaths, according to the Orange County Health Care Agency. 144 people were still hospitalized and 56 of those were in intensive care.

"The city continues taking aggressive and proactive steps to address the COVID-19 pandemic," said City Manager Scott Stiles. "The health and safety of our Garden Grove community is our top priority."

Nationwide, there were about 450,000 cases and about 41,000 deaths.

Meantime, governor Gavin Newsom's shelter-in-place order remains until at least May 15, and local businesses are closing and laying off and furloughing employees.

book when spending a few days at Disneyland.

The virus has taken a toll on locals' social lives, as well. No congregating. Most parks and beaches are closed. Happy hour? It's a home activity now.

"It's been hard, but we're OK," said John Hirson, a Garden Grove resident with a wife and two children. "Hopefully,

we come out of this. I think we will. The weird thing is it's made us closer than ever."

In California, it appears the curve is flattening and COVID-19 could,

in time, be contained. Everyone's itching to get back to business as well as activities that once were taken for granted.

"We need to continue to not just bend the curve, but flatten the

curve and then see these trend lines begin to decline substantially so that we can begin the process of toggling back and forth in terms of looser and in some cases more restrictive protocols to get back to some sense of normalcy," said Gov. Gavin Newsom. For the first

time since the pandemic began, Newsom said the number of patients who have tested positive for COVID-19 in California hospitals declined.

# City beefs up resources during pandemic

**Seniors and others offered  
more help as crisis continues**

New resources for the community have been added to the City of Garden Grove's coronavirus (COVID-19) webpage, including local emergency relief resources for seniors and mental health services.

The H. Louis Lake Senior Center is offering a Senior Wellness Program for seniors to socialize with city staff, promote mental well-being, and provide valuable community resources.

In partnership with the Meals on Wheels Orange County, frozen meals are available for seniors over 60 years old. Seniors interested in registering for the Senior Wellness Program or for more information on how to receive frozen meals can call 714-741-5253.

Other resources for seniors include Council on Aging Southern California's ReConnect Early Intervention Services for Older Adults Program, In-Home Supportive Services, and Orange County Adult Protective Services.

For a complete list of local resources and services for seniors, visit [ggcity.org/coronavirus/resources-seniors](http://ggcity.org/coronavirus/resources-seniors).

In addition, in an effort to help residents who may be feeling misunderstood or overwhelmed and need someone to talk to, the city has compiled a list of safe, secure, and confidential mental health providers. Resources include COVID-19 Public Information Hotline, California Coalition Against Sexual Assault, Orange County Child Protective Services, and more.

For a list of resources and services, visit [ggcity.org/coronavirus/mental-health-services](http://ggcity.org/coronavirus/mental-health-services).

For more information regarding COVID-19 resources, call the city's Office of Community Relations at 714-741-5280.

Two adults and a juvenile were in custody Friday afternoon after police say they tried to evade officers during a pursuit that started in Garden Grove and ended with a crash in Long Beach.

At about 10:30 a.m., Garden Grove officers started following a car believed to have been stolen, Garden Grove Lt. Carl Whitney said.

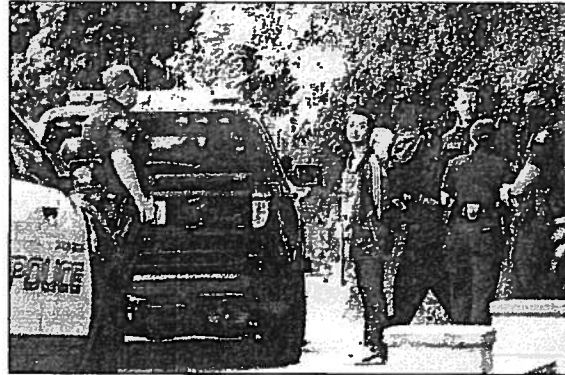

When the car didn't pull over, officers followed it

onto the 22 Freeway and then the 405 Freeway toward Long Beach.

At Bellflower Boulevard, the suspects' car slammed into a guardrail, Long Beach Sgt. Rudy Garcia said. Officers detained a man and a woman, while a boy ran away.

Officers from Long Beach and Garden Grove searched yards and houses in the neighborhood around Marber Avenue and Deborah Street, police said, less than a half-mile from the crash site.

They found and detained the boy.

## **URBAN FOREST MANAGEMENT PLAN ART CONTEST, SURVEY DEADLINES EXTENDED**

The submission deadline to participate in the Urban Forest Management Plan (UFMP) Tree Art Contest has been extended to Thursday, June 4, 2020. Local youth, kindergarten through 12<sup>th</sup> grade, are invited to draw, paint, or photograph current or future trees in Garden Grove, and submit their original artwork online, at <https://ggcity.org/urban-forest>. In addition, the deadline to submit feedback on Garden Grove's urban forestry has been extended to Thursday, July 9, 2020. The community is encouraged to fill out the online survey at <http://bit.ly/gg-urban-forest-plan>.

Submitted artwork will be displayed on the City's Facebook, @gardengrovecityhall, from Monday, June 8 through Friday, June 26, 2020. The community will be invited to judge the Tree Art Contest by "liking" their favorite tree art in each age category: K-3<sup>rd</sup>; 4<sup>th</sup>-6<sup>th</sup>; 7<sup>th</sup>-9<sup>th</sup>; and 10<sup>th</sup>-12<sup>th</sup>.

The post with the most "likes" in each age category will be determined the winner. Each winner will receive a cash prize of \$100.

Winning artwork will be posted on the City's website and social pages on Monday, June 29, 2020.

The art contest and online survey are part of the City's upcoming 40-year plan to maintain, enhance, and grow an urban forest in Garden Grove.

### **THÀNH PHỐ GIA HẠN NHỮNG PHỤC VỤ TẠI ĐỊA PHƯƠNG CHO ĐẾN KHI CÓ THÔNG BÁO MỚI**

Do tình trạng dịch COVID-19 vẫn đang tiếp diễn và đồng thời với lệnh cách ly của Thống đốc Gavin Newsom, Thành phố Garden Grove chính thức tiếp tục gia hạn lệnh khẩn cấp tại địa phương cho đến khi có thông báo mới.

Lệnh khẩn cấp địa phương duy trì việc đóng cửa các cơ sở Thành phố và tòa thị chánh; hủy bỏ các chương trình và lớp học, gia hạn không cúp nước nếu không thanh toán hóa đơn và ngừng biên phạt quét đường (street sweeping) cho đến khi có thông báo mới. Thành phố cũng sẽ tiếp tục gia hạn giờ hoạt động và giao hàng cho các doanh nghiệp và cơ sở, những dịch vụ thiết yếu, cần thiết trong cộng đồng để tạo điều kiện cho việc hàng hóa chuyển đến đầy đủ các cửa hàng, chợ, và các cơ sở phục vụ nhu cầu cần thiết cho cư dân trong cộng đồng. Trung tâm hoạt động khẩn cấp (Emergency Operation Center) cũng sẽ vẫn được kích hoạt cho đến khi có thông báo mới.

Lệnh khẩn cấp địa phương trước đó, vào Thứ Năm, ngày 26 tháng Ba, 2020, đã kéo dài và hết hạn vào Thứ Sáu, ngày 17 tháng Tư, 2020. Thành phố ban đầu tuyên bố tình trạng khẩn cấp tại địa phương do COVID-19 vào Thứ Hai, ngày 16 tháng Ba, 2020, và đã có hiệu lực ngay ngày hôm sau.

**Two local Vietnamese-American business owners donated 700 masks to the City of Garden Grove**

On Wednesday, April 15, 2020, two local Vietnamese-American business owners graciously donated 700 reusable masks to the City of Garden Grove, knowing many people need masks at this time, including government employees.

Councilmember Patrick Phat Bui shared the news that two local business owners donated 500 reusable masks to the City's Public Works Department and 200 masks to the employees at City Hall. According to Councilman Bui, the Garden Grove Public Works Department has more staff than City Hall.

At approximately 11:30 a.m., on Wednesday, Ms. Tran Dang and her younger brother, Mr. Andrew Pham, from Chapman Corporation, brought over 500 reusable masks to the Garden Grove Public Works Department.

Ms. Tran had shared with the Nguoi-Viet reporter: "My company is located near City Hall. I feel that public servants like City employees and police officers don't have enough masks for their protection. After my donation to other places in the community, I found I still had many leftovers masks, so I ordered more to make a donation to the City of Garden Grove. I want to help the City and the community during this difficult time."

According to Bill Murray, Director of Garden Grove Public Works: "It's not mandatory for employees to wear a mask when working inside the building,

but they must wear masks when going out. However, the City does not have enough masks to provide to employees. I appreciate Ms. Tran Dang and Mr. Andrew Pham for thinking of public servants. We now have enough masks to give two masks to each person. These reusable masks certainly are more comfortable than the N95 masks. They are washable and employees can reuse them.”

After giving the mask donation to the Public Works Department, Ms. Tran and Mr. Andrew stopped by Garden Grove City Hall and met with City Manager Scott Stiles to donate another 200 masks.

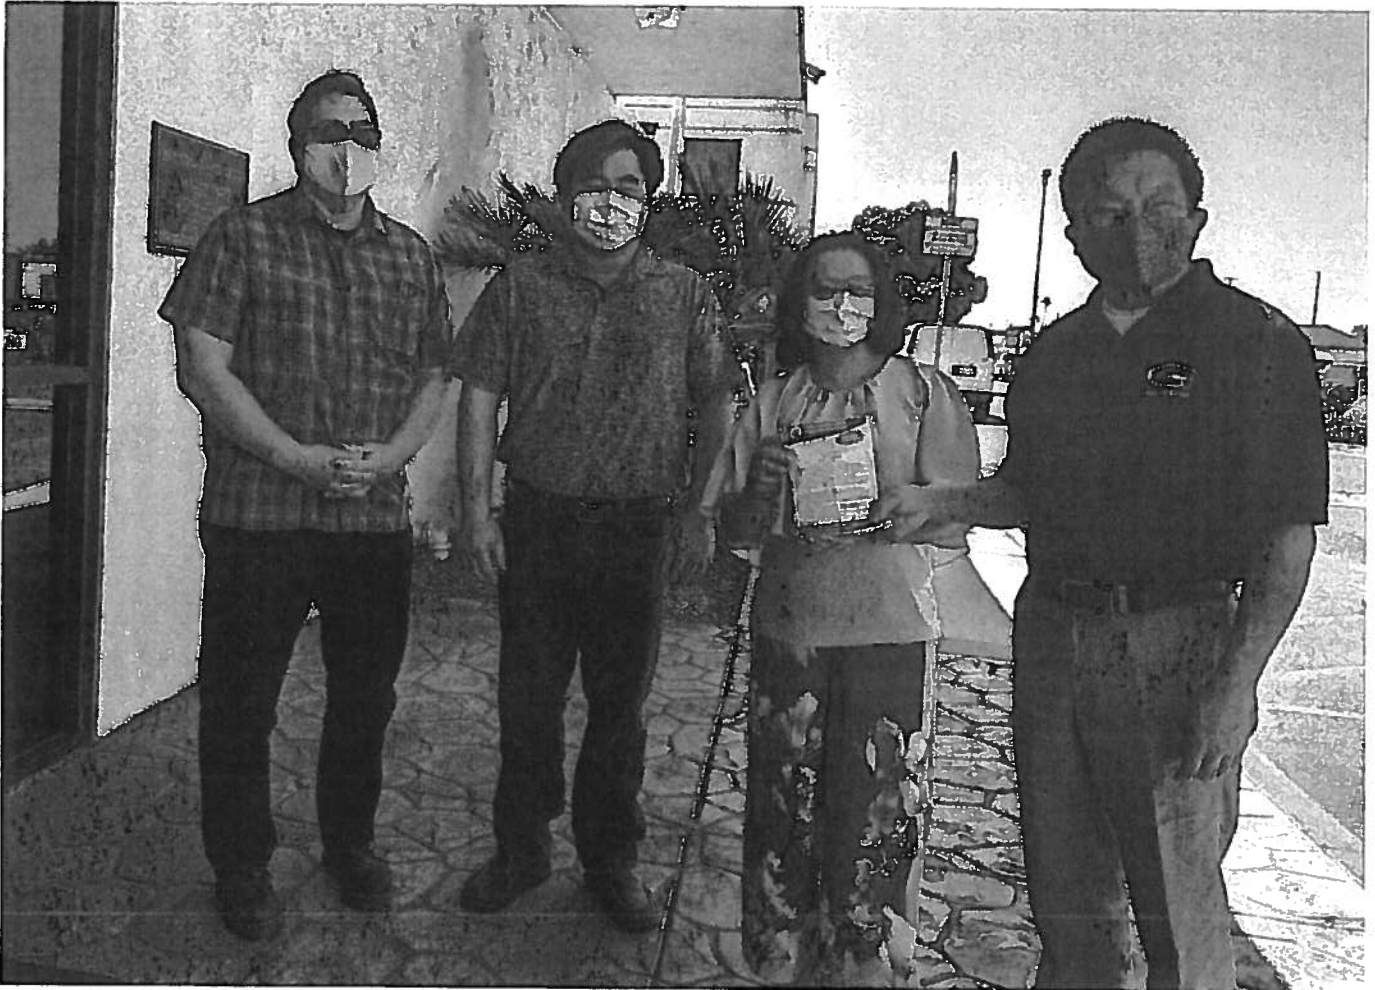

Mr. Stiles shared with the Vietnamese reporter: “We are very grateful for this. This is a difficult time and we are happy to see people in the community willing to help each other. We will be distributing these masks to employees who are serving the community, and will make sure they know how to protect themselves. I am very grateful for their generosity and dedication to the City. This is a very difficult time for everybody. Hang in there. I believe we shall make it through this.”

# 2 chủ doanh nghiệp gốc Việt tặng 700 khẩu trang cho Garden Grove

**GARDEN GROVE, California (NV)** – Trong đại dịch COVID-19, rất nhiều người cần khẩu trang, nhất là nhân viên chính phủ. Vì vậy, hôm Thứ Tư, 15 Tháng Tư, hai chủ doanh nghiệp gốc Việt quyết định tặng thành phố Garden Grove 700 khẩu trang.

Ông Phát Bùi, nghị viên Garden Grove, cho biết hai chủ doanh nghiệp này tặng 500 khẩu trang cho Sở Công Chánh và 200 khẩu trang cho Tòa Thị Chính Garden Grove. Ông còn cho hay trước đó hai người này còn tặng nhiều khẩu trang cho thành phố Fountain Valley và bệnh viện Fountain Valley.

“Chúng tôi rất cảm kích vì việc làm của họ. Hai người này sống ở Garden Grove và nói họ thấy nhân viên của thành phố như các cảnh sát viên, nhân viên ra đường không đeo khẩu trang nên quyết định tặng cho thành phố,” ông Phát nói.

Ông còn cho hay lý do hai chủ doanh nghiệp này tặng cho Sở Công Chánh Garden Grove nhiều khẩu trang hơn vì nơi này đông nhân viên hơn Tòa Thị Chính.

Khoảng 11 giờ rưỡi sáng Thứ Tư, bà Trần Đặng cùng em trai Andrew Phạm của công ty Chapman Corporation mang 500 khẩu trang đến tặng Sở Công Chánh Garden

Grove.

Bà Trần nói với phóng viên Người Việt: “Công ty tôi có văn phòng gần Tòa Thị Chính Garden Grove. Tôi thấy nhân viên thành phố như công chánh và cảnh sát không đủ khẩu trang. Vì vậy, sau khi tặng khẩu trang cho những nơi khác, tôi thấy còn dư nhiều và đặt may thêm một số để tặng cho Garden Grove. Tôi muốn giúp thành phố cũng như cộng đồng trong những ngày khó khăn này.”

Ông Bill Murray, giám đốc Sở Công Chánh Garden Grove, chia sẻ: “Chúng tôi không bắt buộc nhân viên mang khẩu trang khi vào trong sở, nhưng họ phải mang khi ra ngoài. Tuy vậy, thành phố không đủ khẩu trang cho nhân viên. Tôi rất cảm kích việc làm của bà Trần Đặng và ông Andrew Phạm vì sẽ giúp nhân viên công chánh có hai khẩu trang cho mỗi người.”

“Các khẩu trang vải này sẽ giúp họ thoải mái hơn vì không phải lúc nào cũng đeo loại N95 được. Nếu đeo khẩu trang N95 quá nhiều, họ sẽ bị nổi phát ban. Không chỉ vậy, nhân viên còn có thể giặt và sử dụng lại các khẩu trang vải đó,” ông Murray nói.

Nghị Viên Phát Bùi chia sẻ: "Việc làm của họ sẽ giúp cho cộng đồng rất nhiều. Thành phố Garden Grove đang gặp nhiều khó khăn tài chính và đóng góp của hai người này rất cần thiết. Đây là một thông điệp tốt giúp cộng đồng sát cánh nhau vượt qua đại dịch. Vì vậy, tôi rất hãnh diện vì nghĩa cử của hai chủ doanh nghiệp gốc Việt này."

Sau khi tặng khẩu trang cho Sở Công Chánh Garden Grove, hai chị em bà Trần và ông Andrew chạy qua Tòa Thị Chính. Có mặt tại đây để nhận món quà của họ là ông Scott Stiles, tổng quản trị thành phố Garden Grove.

Sau khi nhận 200 khẩu trang từ hai chủ doanh nghiệp, ông Stiles nói với phóng viên Người Việt: "Chúng tôi rất cảm kích vì việc làm này. Đây là một giai đoạn khó khăn và chúng tôi rất vui vì thấy mọi người tìm cách giúp đỡ nhau. Chúng tôi sẽ phát khẩu trang cho những nhân viên đang làm việc với cộng đồng và sẽ bảo đảm họ biết những cách tự bảo vệ mình như giữ vệ sinh, cùng nhiều thứ khác. Tôi rất biết ơn sự rộng lượng và tấm lòng của họ dành cho thành phố."

"Đây là giai đoạn vô cùng khó khăn và chúng ta sẽ vượt qua được nếu sát cánh nhau, tôi tin chắc như vậy," ông Stiles nói. (Thiện Lê) [qd]

Hội đồng Thành phố Garden Grove sẽ tổ chức một cuộc họp vào ngày 28 tháng Tư, 2020 lúc 6:30 chiều tại Phòng họp Hội đồng Thành phố, địa chỉ 11300 Stanford Avenue, Garden Grove, California để xem xét sửa đổi khẩn cấp cho Kế hoạch Hành động Hàng năm của Thành phố niên khoá 2019-2020 (Annual Action Plan-AAP.) Việc sửa đổi đáng kể cho AAP 2019-2020 đang được xem xét để phân bổ khoản Tài trợ cho Phát triển cộng đồng (CDBG) và Trợ cấp khẩn cấp (ESG) mà Bộ Phát triển Nhà ở và Đô thị Hoa Kỳ nhận được, được ủy nhiệm thông qua Đạo luật Viện trợ Coronavirus, Cứu trợ, và Luật An ninh Kinh tế.

Cuộc họp Hội đồng Thành phố sẽ được tổ chức theo Sắc lệnh N-29-20 của Thống đốc Newsom, ban hành vào ngày 17 tháng Ba năm 2020. Tất cả các thành viên của Hội đồng Thành phố sẽ tham gia cuộc họp bằng hội nghị từ xa (teleconference.) Các phòng họp sẽ được mở và sẵn sàng cho các thành viên và những người muốn tham gia cuộc họp. Tuy nhiên, trước những rủi ro về sức khỏe liên quan đến dịch COVID-19 và lệnh Thống đốc yêu cầu nên ở nhà, các thành viên cộng đồng được yêu cầu cân nhắc kỹ trước khi tham dự cuộc họp công khai và giữ khoảng cách sáu foot với những người khác. Cuộc họp cũng sẽ được phát trực tiếp trên Spectrum Cable Channel 3 tại [https://ggcity.org/cgibin/city\\_council/videos\\_and\\_agendas.cgi](https://ggcity.org/cgibin/city_council/videos_and_agendas.cgi), và kênh Youtube tại <https://www.youtube.com/c/GardenGroveTV3/live>.

Hội đồng Thành phố sẽ xem xét việc sử dụng \$1,194,311 trong quỹ CDBG và \$602,486 trong quỹ ESG để hỗ trợ cung cấp dịch vụ cho cư dân bị ảnh hưởng bởi dịch Coronavirus (Covid-19). Thành phố đang xem xét tài trợ cho các hoạt động CDBG sau đây để đối phó dịch Covid-19: mở rộng Chương trình 'Meals on Wheels' cho người cao niên; thực hiện Chương trình 'Food Pickup program' cho các gia đình; thực hiện Chương trình duy trì việc làm cho các doanh nghiệp nhỏ; mua thiết bị bảo hộ cho những người hoạt động tuyển đầu của Garden Grove; và các chương trình hành chính khác. Các hoạt động ESG mà Thành phố sẽ thực hiện sẽ giúp ngăn chặn sự lây lan của Covid-19 trong cộng đồng người vô gia cư tại Thành phố và sẽ hướng tới việc ngăn chặn các cá nhân và gia đình trở thành vô gia cư. Tài trợ ESG sẽ cung cấp thêm quỹ cho các hoạt động sau: Tiếp cận đường phố, Hệ

thống thông tin quản lý vô gia cư, Tái định cư nhanh, Ngăn chặn vô gia cư và quản lý hành chính.

Ngoài ra, Hội đồng Thành phố sẽ xem xét sửa đổi Kế hoạch City's Citizen Participation Plan (CCPP) để cho phép thời gian nhận xét và thông báo công khai giảm xuống còn 5 ngày khi sửa đổi Kế hoạch Hợp nhất (Consolidated Plan) hoặc AAP trong tình trạng khẩn cấp tại địa phương, liên bang hoặc quốc gia. Việc điều chỉnh để giảm thời gian nhận xét công khai xuống còn 5 ngày trong tình trạng khẩn cấp giúp Thành phố tăng khả năng ứng phó với những trường hợp khẩn cấp, trong khi vẫn tạo cơ hội cho công chúng nhận xét về các sửa đổi đối với Kế hoạch Hợp nhất và/hoặc AAP.

### **Cơ Hội Để Công Chúng Xem Duyệt Và Phát Biểu**

Từ ngày 23 tháng Tư, 2020 đến ngày 28 tháng Tư, 2020, Thành phố điều chỉnh AAP và CPP năm 2019-2020 và sẽ có sẵn để công chúng xem xét tại các địa điểm sau:

Do dịch Covid-19, chúng tôi đang sửa đổi quy trình của chúng tôi để xem xét và cung cấp nhận xét cho việc sửa đổi AAP và CPP 2019-2020. Vui lòng truy cập <https://ggcity.org/neighborhood-improvement> để xem xét sửa đổi AAP và CPP 2019-2020, vui lòng gửi ý kiến trực tiếp bằng cách email cho ông Timothy Throne tại [timothyth@ggcity.org](mailto:timothyth@ggcity.org).

Phòng Phát triển Kinh tế và Cộng đồng sẽ chấp nhận các ý kiến bằng văn bản và bằng lời nói cho đến 4:00 giờ chiều ngày 28 tháng Tư năm 2020. # Message from League Executive Director Carolyn Coleman on Coronavirus Response

*April 22, 2020*

Dear California City Leaders,

Across the state, local leaders continue to focus on efforts to ensure their communities are doing their part to stop the spread of COVID-19, prepare for a surge, and plan for the gradual reopening of their local economies. At the League of California Cities, we are fighting to ensure every city has the resources they need to protect their communities. We know that, in times like these, it is also important to be able to connect with each other and the experts on innovative strategies for managing city finances and cost recovery, parking requirements, emergency orders, virtual meetings, affordable housing, and more. That's why the League is hosting a special COVID-19-related webinar series on these topics. To view archives of these webinars and to register for upcoming ones, [click here](#).

A brief recap of important developments related to COVID-19 that you should know are below.

Let's keep working together and make sure that no California city is left behind.

Stay safe,

Carolyn M. Coleman  
Executive Director  
League of California Cities

Cities Left Out of Interim Emergency Spending Package. Despite calls from city officials in California and nationwide, the Senate passed a \$484 billion spending package yesterday that failed to include direct and flexible aid to local governments of all sizes to help address the revenue shortfalls and increase in expenses due to COVID-19. Following the Senate vote, Senator Chuck Schumer (NY) said that robust funding for state and local governments was at the "top of the list" in a fourth package. House Speaker Nancy Pelosi (CA), who also spoke after the Senate vote, called [yesterday] a "great victory" but said more would be done for state and local governments in the next bill. Pelosi said money from the CARES Act would be used to backfill lost revenue and pledged that additional money for state and local governments would be included in a final fourth package. On Twitter, President Donald Trump said: "After I sign this Bill, we will begin discussions on the next Legislative initiative with fiscal relief to State/Local Governments for lost revenue from COVID 19." On the other hand, Senate Majority Leader Mitch McConnell (KY) is

signaling that he will not support a quick pass on phase four, saying that more funding will not solve the "problem" created by the rapid spread of the coronavirus. He said, "I think it's also time to begin to think about the amount of debt we're adding to our country and the future impact of that... until we can begin to open up the economy, we can't spend enough money to solve the problem." The House is expected to take up the Senate-passed legislation on Thursday, and the President is expected to sign it. Discussions on a next package are expected to start shortly.

Until then, the League is continuing to push H.R. 6467, the Coronavirus Community Relief Act, and urging California House members to co-sponsor this bill. H.R. 6467 would provide \$250 billion in direct aid from the federal government to local governments with a population less than 500,000 as they face mounting challenges related to the pandemic. If you haven't already, please contact your U.S. House member and urge them to support this legislation. A sample template letter is available [here](#).

The League will continue to tell the city story and make the case for direct and flexible federal aid for cities of all sizes. None of our cities should be left behind.

Assembly and Senate Budget Committees Focus on State COVID-19 Response. The Senate Special Budget Subcommittee on COVID-19 Response met last week and the Assembly Special Budget Subcommittee met earlier this week for a budget overview of the state's response. Both hearings highlighted the magnitude of the state's COVID-19 response and the costs associated with it. The Department of Finance is estimating that the state will spend \$7 billion in 2020 on its COVID-19 response and is projecting that 75 percent of this amount (\$5.25 billion) will be reimbursed by the federal government. There is great interest in how the pandemic will impact the state's reserves, but new estimates for available funds in the Rainy Day Fund will have to wait until Gov. Gavin Newsom's May Budget Revision is released next month. As far as budget allocations so far, in March the Legislature provided the Governor up to \$1 billion in funding to respond to COVID-19; he has allocated approximately \$650 million, thus far. The Governor has also transferred \$1.3 billion to the Disaster Response Emergency Operations Account, which can be used to respond quickly to emergencies, like COVID-19, bringing its balance to \$1.4 billion. In terms of funding on-going expenses associated with COVID-19, California received approximately \$26 billion in the first three federal stimulus packages, and the Administration is developing a plan for using the state's share. The state may also consider payment deferrals, shifting payments, and borrowing from specials funds to access additional resources in the short-term; the League will be monitoring these activities closely to ensure no local dollars are grabbed. The Governor has also reached out to House Speaker Nancy Pelosi requesting \$1 trillion in direct and flexible relief be provided to states and local governments in the next federal stimulus bill.

In general, lawmakers were supportive of the Governor's quick actions to contain and mitigate the spread of this deadly virus; however, it appears they want and expect more oversight and

transparency going forward. There is also a growing concern regarding the availability of resources to help local governments address the impact of COVID-19 on their communities. The Department of Finance representative who testified in the Assembly's hearing, acknowledged their awareness of the fiscal issues cities are facing. In the coming weeks, the League will make sure the state is aware of the full extent of the fiscal impact of COVID-19 on local budgets and the scale of resources needed to address the revenue shortfalls and increased expenses due to COVID-19.

Governor Announces Recovery Taskforce. To chart a path forward on recovery in the wake of COVID-19, the Governor recently announced a new taskforce for Business and Jobs Recovery, which includes leaders from California's economic and social sectors. Since recovery can only be realized at the local level, we are working to make sure the local government perspective is considered as part of the taskforce's efforts.

# League-Sponsored Bond Agency Issues Nearly \$252 Million in Tax-Exempt Bonds for Affordable Housing in Six Cities

*April 22, 2020*

Affordable apartments for low-income families and seniors in Fremont, Huntington Beach, Palm Springs, Riverside, Salinas, and San Jose are getting a facelift and funding with tax-exempt multi-family affordable housing bonds issued by the California Statewide Communities Development Authority (CSCDA).

CSCDA has set a record of closing 10 affordable housing projects during the month of April, which total \$355,150,000 in bonds to be issued, creating and preserving 1,593 affordable units. Glen Haven 2018, LP acquired Glen Haven Apartments, which include 81 multi-family affordable housing apartments for low-income residents in Fremont. Under the new ownership the apartments will continue to be 100 percent affordable. CSCDA and the project sponsor KDF Communities (KDF) partnered with Citibank and Orrick, Herrington & Sutcliffe, LLP to provide \$20 million tax-exempt multi-family affordable housing bonds for the Glen Haven Apartments.

Hermosa 2019, LP acquired Hermosa Vista Apartments, with 88 multi-family affordable housing apartments. These apartments will also continue to be 100 percent affordable and be available to low-income residents in Huntington Beach. CSCDA and KDF partnered with Citibank and Orrick, Herrington & Sutcliffe, LLP to provide the \$19 million in tax-exempt multi-family affordable housing bonds for the development.

Huntington Pointe 2019, LP acquired Huntington Pointe Apartments, with 104 multi-family affordable housing apartments. These apartments will also continue to be 100 percent affordable and be available to low-income residents in Huntington Beach. CSCDA and KDF partnered with Citibank and Orrick, Herrington & Sutcliffe, LLP to provide the \$24 million in tax-exempt multi-family affordable housing bonds for the development.

Pacific Palms Apartments, LP acquired Pacific Palms, which include 140 multi-family affordable housing apartments for low-income residents in Palm Springs. Under the new ownership the apartments will continue to be 100 percent affordable. CSCDA and Spira partnered with Capital One Bank to provide \$15 million tax-exempt multi-family affordable housing bonds for the Pacific Palms Apartments.

Breezewood 2019, LP acquired Breezewood Apartments, which include 157 multi-family affordable housing apartments. Under the new ownership the apartments will continue to be 100

percent affordable and available for low-income residents in Riverside. CSCDA and the project sponsor KDF partnered with Citibank and Orrick, Herrington & Sutcliffe, LLP to provide \$20 million tax-exempt multi-family affordable housing bonds for the Breezewood Apartments.

Valley Palms 2018, LP acquired Valley Palms Apartments, which include 354 multi-family affordable housing apartments. Under the new ownership the apartments will continue to be 100 percent affordable and available for low-income residents in San Jose. CSCDA and KDF partnered with Citibank and Orrick, Herrington & Sutcliffe, LLP to provide \$120 million tax-exempt multi-family affordable housing bonds for the Valley Palms Apartments.

Salinas Pointe 2019, LP acquired Salinas Pointe Apartments, which include 220 multi-family affordable housing apartments for low-income residents in Salinas. Under the new ownership the apartments will continue to be 100 percent affordable. CSCDA and KDF partnered with Citibank and Orrick, Herrington & Sutcliffe, LLP to provide \$33 million tax-exempt multi-family affordable housing bonds for the Salinas Pointe Apartments.

All of these projects will undergo an extensive interior and exterior renovation, ensuring that residents have an updated, safe, and affordable community to call home for years to come. The financing of these projects will maintain the affordability of units for low-income tenants for 55 years.

The League's co-sponsorship of CSCDA continues to be a significant benefit for League members. CSCDA has issued more than \$63 billion in tax exempt bonds for projects that provide a public benefit by creating jobs, affordable housing, healthcare, infrastructure, schools, and other fundamental services.

CSCDA is a joint powers authority created in 1988 and is sponsored by the California State Association of Counties and the League of California Cities. More than 530 cities, counties, and special districts are program participants in CSCDA, which serves as their conduit issuer, and provides access to efficiently finance locally-approved projects.

# Cities Can Now Review and Comment on CalRecycle's Updated SB 1383 Regulations and Documents

Comments Due by May 20

*April 22, 2020*

The California Department of Resources Recycling and Recovery (CalRecycle) released its revised draft of the SB 1383 regulatory text, and the final, identified list of documents it relied upon for the rulemaking, for a 30-day public review and comment period.

The official notice, including the identified list of documents relied upon, and full text of the regulation, including the newly proposed changes indicated, is available on the [SB 1383 Rulemaking website](#). This comment period will run from April 20-May 20.

Given the dramatic impacts that SB 1383 regulations will have on cities, the League is encouraging cities to review the new draft regulations, and provide comments to CalRecycle by the May 20 deadline. This will be the final public comment period for the SB 1383 regulations and the last opportunity for city input to be submitted into the record. City feedback is necessary to craft more implementable regulations.

## **How to Submit Comments**

Comments must be submitted by 5 p.m. on May 20, and may be submitted to:

Ashlee Yee

California Department of Resources Recycling and Recovery

P.O. Box 4025

Sacramento, CA 95812

Phone: (916) 327-8824

Fax: (916) 319-7233

Email: [SLCP.Organics@calrecycle.ca.gov](mailto:SLCP.Organics@calrecycle.ca.gov)

In order to be compliant with Section 508 accessibility requirements, CalRecycle requests the submission of public comment letters in Microsoft Word DOC format in addition to other electronic formats (PDF, etc.).

Due to the widespread impacts of the COVID-19 public health emergency and feedback from local governments, CalRecycle issued an extended timeframe for submission of comments beyond

the minimum 15 days required by the Administrative Procedures Act to provide an adequate opportunity for stakeholders to be prepared and respond.

### **Background on SB 1383**

SB 1383 (Lara, 2016) establishes targets to achieve a 50 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75 percent reduction by 2025. CalRecycle is charged with implementing this bill to achieve the organic waste disposal reduction targets and establishes an additional target that not less than 20 percent of currently disposed edible food is recovered for human consumption by 2025.

### **Next Steps**

The League has been engaged during each step of the regulations review and will be submitting comments to CalRecycle highlighting key issues of the utmost importance to cities by the May 20 deadline.

For more information about this rulemaking, visit CalRecycle's [Short-Lived Climate Pollutants](#) webpage.

# Despite Revenue Shortfalls, Cities Remain Committed to Providing for Their Communities

*April 22, 2020*

With businesses shut down throughout the state, taxes and fees are coming in well below what cities were counting on, leaving city leaders with fewer dollars to pay for police officers, firefighters and other basic services.

At the same time, cities are still finding ways to deliver not only the traditional core services to residents, but also necessary COVID-19 response efforts.

Cities recognize that some communities, seniors, and the homeless, are at higher risk during the coronavirus pandemic and are working to protect their citizens and reduce the spread of the virus.

The City of Arcata is safely housing their homeless population by closing off two city-owned parking lots to set up tents. Within these parking lots, the city has set up tents six feet apart to maintain physical distancing while providing shelter for the homeless. These lots are able to house 15 to 19 people, and in addition to tents, the lots have portable restrooms and handwashing stations. The city is focusing on housing the homeless population without subjecting them to close living quarters to maintain the health and safety of the population during this pandemic.

The city is also working with the Department of Health and Human Services to secure hotel rooms for them. The city has successfully secured over 20 rooms and have begun moving high-risk people into hotels.

"Our work on the ground to quickly support those experiencing homelessness during the threat of COVID-19 would not have been possible without Governor Newsom's prompt action. The funds he sent to Humboldt County and our Continuum of Care are making our emergency social-distance sheltering operation in Arcata possible," explains Arcata Council Member Sofia Pereira.

The City of San Francisco has successfully transferred 750 people experiencing homelessness to private hotel rooms following Gov. Gavin Newsom's announcement on initiative Project Roomkey. Stanislaus County has made an agreement with Modesto hotel owners to provide housing for the at-risk homeless population throughout the pandemic. The housing priority for these cities are people over the age of 65 and those with preexisting medical conditions that make them especially vulnerable to COVID-19. Similarly, in the City of Oakland, 211 people have moved in to hotel rooms and dozens of state-owned trailers that were brought in to house the homeless. Ontario and Corona are using existing motel voucher programs to accelerate placement of people into housing

Homeless shelters in San Diego and Los Angeles were packed leading up to the pandemic and with the physical distancing order, they have had to reduce capacities. To continue to house the homeless, both cities have offered temporary housing to the homeless communities and plan to expand their efforts, with Los Angeles rolling out a plan to house 15,000 people.

With the closures of public parks, libraries, and restaurants due to COVID-19, those public restroom options are unavailable, so the City of Modesto has taken initiative to install portable restrooms for the homeless. The portable restrooms are placed in high-need areas within the city based on input from the Modesto Police Department and Stanislaus County's Office of Emergency Services. These portable restrooms will also have handwashing or hand sanitizer stations with the hope of reducing the spread of coronavirus.

In addition to focusing on protecting those experiencing homelessness, cities are finding ways to support senior citizens and others who may need assistance.

The Yountville Neighbor Network, which started in 2019 as part of the Town of Yountville's emergency preparedness effort, has evolved and expanded to meet the new needs that have emerged as a result of the COVID-19 pandemic. City staff passed out door hangers requesting people, particularly seniors, contact the network if they need assistance, and they would be matched with a volunteer who would provide help.

Getting information to communities is especially important during a crisis and much of this information is shared via social media. The City of San Jacinto realized that many senior citizens are not connected "virtually" and decided to use tried and true methods from the past to share vital information. The City of San Jacinto began reaching out to families with seniors that are home bound and seniors without family support by mailing out 17,000 fliers encouraging seniors to sign up to be connected with resources.

"The mayor and city council wanted to ensure the city connected with its most precious community members, our seniors, so staff quickly and creatively used the reliable U.S. Post Office to connect them to resources," stated San Jacinto City Manager Rob Johnson.

Seniors can fill out and mail the fliers back to the city or go online to register to receive the resource information. This program connects seniors with the Family Services Association and the Salvation Army which delivers food and household essentials to seniors.

The City of El Centro has worked hard to get information to residents through special meetings, which are livestreamed twice weekly on social platforms in both English and Spanish, to keep the community updated on city operations and updates throughout the coronavirus pandemic. El

Centro has included leaders from El Centro Regional Medical Center (ECRMC) in the meetings to help address questions from city council and the public and provide reassurance.

As we enter the second month of physical distancing, the City of Goleta is working to uplift spirits and promote positive images within their community by launching the [#GoodLandGoodPeople photo campaign](#). The campaign calls community members to send in photos on how families and residents are staying busy and positive during this time, as well as photos of people in the community that are bravely working to provide for our country, including city staff, medical professionals, grocery store workers, and first responders.

As cities work to provide resources and information to their residents, the League continues to update the [coronavirus resource and response webpage](#) as a resource for city leaders. Daily updates on COVID-19 news, resources, and guidance specifically geared toward local officials will help local governments navigate the current situation and is updated as new developments occur.

Cities that would like to share the actions they have taken in response to coronavirus can contact the communications team at [communications@cacities.org](mailto:communications@cacities.org). If you have questions related to COVID-19, please send them to [covid-19@cacities.org](mailto:covid-19@cacities.org).
